

## TURANDOT Costume Measurements

If you have a question, please email Martha at [ferrara@calarts.edu](mailto:ferrara@calarts.edu)

**Costume Design Description:** Our setting is wintertime in a mythical brutal ancient Chinese empire. Time elapses over one night, from sunset to sunrise. The design is an interpretation of Eastern styles. With a few special exceptions, all costumes should be loose fitting --- tunics, jackets, cloaks, and robes without belts; everyone wears long pants, which have drawstring waist ties. Shoes are flat canvas, worn with socks; heads are covered by hats or scarves. For your comfort and garment care, men please provide your own grey or tan T-shirt, and boxers or bicycle shorts, and women please wear a grey or tan sports or dance bra, and briefs or leotard. *Thank you!*  
Please round-up measurements to the nearest half inch. For instance, if your head measures 22 ¼", record it here as 22 ½". Need help? Your local dry cleaner who does alterations will gladly assist!

Your Name: \_\_\_\_\_

Your Contact number if we have questions: \_\_\_\_\_

Your Character(s): \_\_\_\_\_

Your Shoe Size: \_\_\_\_\_ Your Height: \_\_\_\_\_

What size jeans or slacks to you normally buy? Waist \_\_\_\_\_/Inseam \_\_\_\_\_
